

Introduction to Patient and Public Involvement for Researchers

Times: 09:15 to 12:30 Venue: Deakin Centre, Addenbrookes

Dates: We are running the same workshop on the following dates

Thursday 18 July 2019

Wednesday 2 October 2019

This free Researchers workshop will include:

- Why Patient and Public Involvement (PPI) is important
- Exploring the challenges of PPI and what can be achieved
- Case studies and PPI beyond the application stage
- Q&A opportunity with local PPI representatives

Please book on eventbrite <https://bit.ly/2Z514FA>

The event is suitable for all researchers, but will particularly suit people who are new to PPI and need to understand what it is and for those who are setting up their first PPI project
