

PPI Panel Discussion: Co-Creating Discovery - The Role of Patient & Public Involvement in Tissue & Organ Donation Research

Panel discussion and Q&A

Tuesday 16 June 2026 from 9.20 am to 10.20 am

Jeffrey Cheah Biomedical Centre, Cambridge Biomedical Campus

Free, **in-person** event for members of the public, pre-clinical and clinical research staff, all are welcome!

Hear about the vital role of public and patient involvement (PPI) in shaping research that relies on tissue and organ donation. the session will open up an inclusive conversation about how donated tissues and organs contribute to pre-clinical research and the development of future treatments.

Coffee & tea is available, 10-
mins either side of the event
